

Overview Countries and Committees (MUN Flensburg 2023)

In this document, you can find an overview of all countries and committees you can choose from.

Please be aware that for some committees and countries two seats are available. You can join forces together with a friend or get to know a new person while representing the same country in a council.

We assign the countries according to preferences in the application form on a first-come-first-serve basis.

Note: We will update this document regularly to show which countries are still available.

If you have a question, please feel free to contact us any time at participant-management@mun-flensburg.de
